Skills

Adobe Creative Suite, Canva,
Procreate

Mixed-media art

Health and Safety at work
(Certified level 1)

Safe use of power and hand tools
for building, assembly, and repairs

Resin coating, and creative
applications

Structural construction and
installation of display stands and
art pieces

Strong problem-solving skills
under pressure and tight
deadlines

Collaborative teamwork and
project support

Hobbies

Immersive Gaming: I'm passionate
about narrative-driven and
strategy games. I love
exploring intricate worlds and
tackling complex problem-solving
challenges. Some of my favourites

Profile

A hands-on and resourceful mixed-media artist with practical skills in resin work, painting, woodworking, clay work, glass work, and structural builds, seeking to develop a career in film, TV, and theatre special effects. Proven experience managing large-scale creative projects from concept to installation, including curating exhibitions featuring 60+ artists. Level 1 Certificate in Health and Safety at Work; adaptable, motivated, and eager to develop specialist SFX skills.

Employment History

Self employed artist, LCM Artist , Gunnislake

JANUARY 2021 – MARCH 2025

- Created artwork using painting, printmaking, resin, digital art, and woodworking skills
- Built and installed display stands, structures, and custom props for exhibitions, ensuring stability and safety
- Managed exhibitions, coordinating setup and installation with multiple artists and contributors
- Worked under tight deadlines, adapting to client briefs
- Experimented with materials, adhesives, coatings, and finishes to achieve creative and durable results
- Planned project workflows, sourced materials, estimated time and costs, and troubleshooted construction challenges
- Collaborated with teams to install large-scale pieces in public venues
- Developed strong practical problem-solving skills and adaptability

Sales adviser, Superdrug, Tavistock

SEPTEMBER 2016 – PRESENT

- Delivered exceptional customer service on the shop floor and at the till, enhancing communication and problem-solving skills.
- Advised customers on product selection, demonstrating strong branding and presentation insights.
- Maintained makeup stands and product displays, ensuring visual consistency and engagement.
- Supported store operations through effective stock management and merchandising strategies.
- Collaborated with team members to execute promotional displays, reinforcing visual marketing techniques.

Passenger assistant, Darrens cars, Gunnislake

MAY 2016 – JULY 2016

- Assisted children with disabilities during daily school transport, ensuring safety and comfort.
- Maintained clear communication with pupils to manage behavior and reduce anxiety.
- Collaborated with driver and school staff to ensure smooth transport routines.
- Developed problem-solving skills by addressing unexpected situations.
- Enhanced empathetic communication techniques while supporting diverse needs.

Education

Callington Community College, Callington

2010 – 2014

GCSE 10 A-C Grades including art and design, photography and textiles

are Sea of Stars, Disco Elysium, Against the Storm, Blue Prince, and Case of the Golden Idol.

Cinema Enthusiast: I have a deep appreciation for classic and cult films, my top picks being Do the Right Thing, Sunrise: A Song of Two Humans, Fire Walk With Me, and Night of the Hunter, drawn to their visual innovation, atmosphere, and technical craft.

Art & Illustration: I enjoy experimenting with sketching, doodles, and mixed media, transforming ideas into creative visuals while sharpening my eye for detail and design.

DIY & Restoration: I enjoy hands-on projects like furniture restoration, upcycling, and crafting. They let me combine creativity with precision and practical problem-solving, which I find really rewarding.

Callington Beauty College , Callington

2014 – 2016

City and Guilds NVQ

Beauty therapy level 2 and 3

Certified level 1 health and safety in the workplace

Exhibitions

Exhibitions & Creative Projects

The People's Republic of Stokes Croft

September 2024 | Bristol

- Exhibited a series of bold, nature-inspired designs emphasising vibrant colour, symbolism, and conceptual depth.
- Collaborated with local creatives and cultural organisations, strengthening teamwork and industry relationships.

Tavistock Solo Exhibition

March 2024 | Tavistock

- Conceptualised, curated, and executed a solo art exhibition exploring emotional expression through pour painting.
- Led all visual design, promotion, and setup—demonstrating project ownership, storytelling, and audience engagement.
- Drove strong sales and networking outcomes, strengthening client-facing and communication skills.

Drawn To The Valley: The Valley Awakens

2023 | Gunnislake

- Co-curated and coordinated a major exhibition featuring 60 artists, contributing to visual layout, event branding, and promotional strategy.
- Played a key role in on-site management and audience interaction, enhancing collaboration and creative problem-solving.

Brick Lane Gallery – Group Exhibition

2022 | London

- Selected to showcase work in a high-profile gallery in London's creative district.
- Gained experience in professional presentation, artist branding, and adapting creative work for a competitive design audience.
